

The Addison Recreation Club thanks you for considering a donation to the youth sport program. We have approximately 700 children enjoying our program. All funds donated from our sponsors are used to cover the expenses incurred by the programs, provided for the children. Facility costs, league entry fees, umpires/referees, trophies, banquets, equipment and uniforms are costs incurred by the program. In addition, donations to the program allow the Addison Recreation Club to maintain its low registration fees.

We are committed to providing our youths a safe and rewarding experience. We are dedicated to developing sport skills and life skills such as teamwork, dedication and leadership in the youth we serve. We have several sponsorship packages available. Your donation will assist us in achieving our goals.
